## First-Class Neighborly Practices

### Pets and Parks

#### Ordinance #221

-Provides for the enforcement of leash laws, cleaning up feces after your pet, and destruction of public and private property. The complete Ordinance can be viewed at the Township Office.

Our parks are wonderful places to play especially for all our children; please clean up after your pets!

### Fences

#### Ordinance #307

Front and side yard fences have height restrictions of four (4) feet maximum and require a building permit.

### Building Numbers

-The Property Maintenance Code mandates that all buildings in Harmony Township have proper numerals for addresses. Install block-style numbers at least four (4) inches in height plainly legible/visible from the front streets to ensure emergency personnel can identify you.

### Swimming Pools ~ Above Ground or In Ground

-Swimming pools require a building permit prior to installation. Most pools require fences around them to safeguard the community from unnecessary tragedies. Obtain a building permit for any pool projects from the Township Office.

### Property Maintenance

-Cut grass and trim hedges **regularly**. Report overgrown lawns to the Township Code Enforcement Officer. Often times, neighbors cannot maintain their property because of health issues: please lend a helping hand to those in need.

### Garbage Day ~ Thursday

-Kindly take refuse cans out within ten (10) hours prior to trash pick-up. Retrieve empty refuse cans within ten (10) hours after trash pick-up.

### Off Street Parking

-Please refrain from blocking the roadway or travel lanes at all times. Remove boats and travel or utility trailers from the streets, the berms, and the front yard lawns.

### Outdoor Storage

-The following items are prohibited from outdoor storage: unlicensed and uninspected vehicles, refrigerators, stoves, washers, laundry tubs, televisions, mechanical or electrical equipment, large tools, and building/construction materials.
